

**BARNARD-COLUMBIA URBAN STUDIES PROGRAM
FALL 2009 COURSES**

The senior seminar courses require application in advance. You can pick up a Senior Seminar Preference Sheet from our bulletin board on the fourth floor of Lehman Hall and turn it into Flora Davidson in Lehman 416B, or you can download an electronic copy from the Urban Studies website and e-mail it to fdavidso@barnard.edu.

Enrollment in a colloquium or seminar is limited in order to guarantee you a small class. Be sure to attend the first class session in order to secure your place in the course.

Please note: **Every Urban Studies major must take the two junior colloquia.** Juniors who have declared themselves as Urban Studies majors will automatically be admitted, but they are not guaranteed their choice of section. Colloquia are not suitable for first-year students. Sophomores and non-majors will be admitted as room permits.

GIS Methods & Case Studies URBS V 3200, 3 points	TR 10:35am-11:50am	Erin Aigner
